

REDD+ Academy/Bhutan
Modules 9 and 10 (Finance and Incentive Allocation)
Group Exercise – Instructions

Group 1: Prepare 4 questions on the “Green Economy” and REDD+ costs (e.g., what are the characteristics of a green economy, define opportunity costs, etc.)

Note: You will be asking one question to each of the other groups, so please prepare ONLY 4 questions – not 3, 5, or any other number!

REDD+ Academy/Bhutan
Modules 9 and 10 (Finance and Incentive Allocation)
Group Exercise – Instructions

Group 2: Prepare 4 questions on UNFCCC requirements for results-based financing (e.g., what do countries have to prepare, what do they have to submit, etc.)

Note: You will be asking one question to each of the other groups, so please prepare ONLY 4 questions – not 3, 5, or any other number!

REDD+ Academy/Bhutan
Modules 9 and 10 (Finance and Incentive Allocation)
Group Exercise – Instructions

Group 3: Prepare 4 questions on sources of REDD+ finance (e.g., GCF, bilaterals, C-Fund, etc.)

Note: You will be asking one question to each of the other groups, so please prepare ONLY 3 questions – not 2, 4, or any other number!

REDD+ Academy/Bhutan
Modules 9 and 10 (Finance and Incentive Allocation)
Group Exercise – Instructions

Group 4: Prepare 4 questions on incentive allocation systems (e.g., list two principles; list 2 key issues, etc.)

Note: You will be asking one question to each of the other groups, so please prepare ONLY 4 questions – not 3, 5, or any other number!

REDD+ Academy/Bhutan
Modules 9 and 10 (Finance and Incentive Allocation)
Group Exercise – Instructions

Group 5: Prepare 4 questions on where REDD+ finance is spent (e.g., which country receives most REDD+ finance; is Bhutan receiving money from the FIP, etc.)

Note: You will be asking one question to each of the other groups, so please prepare ONLY 4 questions – not 3, 5, or any other number!
